

FutureCom™ Cable Management Panel 19", 1U

High-grade steel

CORNING

The LANScape® System offers cable management solutions for all installation options and mounting methods. In order to ensure an arranged and clear execution of the patch cords between the patch panels in the LAN cabinets, Corning offers the LANScape 19"-cable management panel as a clean conclusion in LAN cabinets.

By the employment of 19" cable management panels they let not used installation levels in 19" cabinets lock cleanly in simplest way. With 5 black cable management brackets the panel provides an arranged and clear patch cord routing into the cabinet interior.

Specifications

General Specifications

Environment	Indoor
Mounting Type	Rack 19"

Design - Hardware

Housing material	High-grade steel
Height Unit	1U
Colour	Silver

Chemical characteristics

RoHS	Free of hazardous substances according to RoHS 2002/95/EG
Environmental compatibility	Recyclable
